

***Informed Consent for Video Recording***

I \_\_\_\_\_, the interviewee, grant permission for Brad Reed, the interviewer, and/or his research team, to make audio and/or video recording(s) our informational interview(s).

The purpose of this recording is to help Brad Reed better capture the informational content of our interview while being able to focus on the interview, rather than having to focus on taking notes during the interview. No recording will be made of the informational interview(s) without the interviewee's prior knowledge and consent.

In addition to Brad Reed, viewers of the audio and/or video recording(s) may include a transcription service, members of Brad Reed's research and development team, and/or Brad Reed's mentor.

The audio and/or video recordings(s) will be treated as confidential and will only be used for research purposes. No other uses of the recording will be made without the explicit knowledge and prior written consent of the interviewee

By signing below, I am asserting that I have read, understood, and accept the terms of this *Informed Consent for Video Recording* document and that I am permitting Brad Reed, and/or his research team, to audio and/or video record our session(s) and review those file(s) with the individuals described above.

I further assert that my verbal consent, recorded as part of the informational interview, shall be equally as valid as my signature below.
